

Notice To Contributors

Bangladesh Pharmaceutical Journal is an international and multidisciplinary research and review journal, published in June and December of each year. Original research papers or review articles are accepted on the understanding that they are subject to editorial revision, that their contents have not been published elsewhere and that in consideration of acceptance of a text for publication the copyright of the said text is assigned to the Bangladesh Pharmaceutical Journal.

Contributions

Manuscripts to be submitted for publication and communications concerning editorial matters should be sent either to the Editor-in-Chief or Executive Editor, Bangladesh Pharmaceutical Journal.

Preparation of Text

Authors should consult a CURRENT issue of the Journal and conform to the typographical conventions, use of headings, layout of tables and citation of references. Texts must be computer composed (MS office programs should be used in preparing the texts, charts and graphs) in doublespacing and printed in one side of A4 size offset paper, with a minimum margin of 1 inch on all sides. Two sets of hard copies should be submitted along with the soft copy of the article either in 3.5" floppy diskette or in CD. The articles can also be sent through e.mail to the editor in chief or to the executive editor.

The name(s) of the contributor (s), the name and address of the laboratory where the work was done and a shortened title should accompany the typescript. A summary page should be included, giving results and conclusions in the form of an ABSTRACT suitable for use as such by abstracting journals. It should not exceed 250 words. A list of 3-6 key words should be supplied by the authors.

References

All citations in the text must appear in the REFERENCE list and vice versa. In the text the reference should appear as, either: Ghani (1984) described, or As described previously (Ghani, 1984). When there are more than two authors, mention only the first author, e.g., Ghani et al, 1984. If the year is same for several references, identify these with a, b, c. etc, e.g. Ghani (1975a, b, c) both in the text and in the Reference list. In the Reference list, arrange the references in

alphabetical order. In case of reference to Journals, cite the reference in the following way: Name(s) of author(s), date, title of paper, serial title (in approved abbreviated form), volume number, issue number (in parenthesis), first and last page numbers, thus: Biswas, JC & Sattar, SA, (2001). Release Kinetics of Diclofenac Sodium from a Sustained Release Matrix Tablet Formulation. Bangladesh Pharm J. 4:(1), 45-51. One-word titles are never abbreviated.

Reference to books should be as follows: Lachman, L.; Lieberman, H.A and Kaning, J.L. (1986). The Theory and Practice of Industrial Pharmacy, 3rd edn., Lea & Fabiger. Philadelphia, pp. 32-36. Reference to articles in books should be as follows: Rollo, I.M., (1979). Drugs used in Cardiovascular Disease. In: Goodman, A.G. & Gilman, A. (eds.), The Pharmacological Basis of Therapeutics, 6th edn. Macmillan & Co, New York, pp.1013-1037

Tables

Tables Should be typed in appropriate places in the text and numbered consecutively using Arabic numerals (e.g. 1, 2, 3). Their headings should briefly describe their contents.

Graphs and Photographs

All graphs and charts should be made with either MS Excel or Harvard Graphics software along with the title and legends.

Photographs, either colored or black & white should be developed on glossy paper. Title and legends of the photographs should be typed at the end of the manuscript. The photographs should also be marked at the back with figure number, title of the paper.

If the author does scanning of photograph, the preferable file formats are, ADOB Photoshop, JPEG, PSP or BMP. The resolution should not be less than 150 and the size of the photographs should be at least double.

Reprints

Ten reprints of each article will be sent free to the first author. Additional reprints may be purchased in multiples of 50 by requesting the Editor-in Chief
